#DRIVEYOURSTORY

EVERYMAN
DRIVING EXPERIENCES
EST 1980

You're awesome, we greatly appreciate your purchase! On behalf of the entire team at Everyman Driving Experiences, we want to thank you for choosing us.
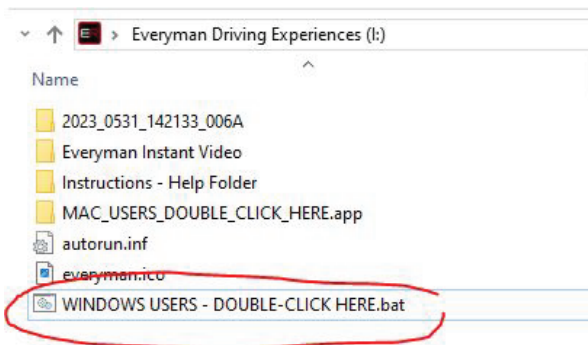

Everyman Driving Experience vehicles come equipped with cutting-edge HD video systems, featuring two cameras that capture high-definition video. These cameras, combined with advanced technology, also record your vehicle's position, sound, and speed during your driving experience. As a result, you will have a permanent and vivid record of your thrilling time with us.

To relive and share your unforgettable driving moments, simply follow the quick start instructions provided below. You'll be able to play your recorded experience on your PC or Mac. Additionally, you can easily export your In-Car Filming to enjoy on your smart TV or share it with your friends and followers on your social media accounts. Enjoy the excitement and adventure captured in every frame!

HOW TO PLAY YOUR IN-CAR FILMING FILES (WINDOWS PC)

1. Insert the SD card into your PC.
